TRASH BIN

STOP!

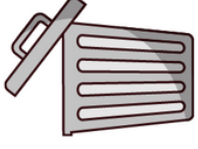

Before you throw an item away, first check if it can go in the **COMPOST** or **RECYCLE** bins. Thank you!!

NO HAZARDOUS ITEMS:

Household cleaning chemicals, aerosol cans, paint and solvents, batteries, tires, electronics, lightbulbs, automotive parts, motor oil, asbestos, pesticides, medical waste (needles, sharps, prescription drugs)

Take hazardous materials to your local household hazardous waste facility. Tires, auto parts, and motor oil can go to a local automotive repair shop to get recycled. Batteries, electronics, and prescriptions can go to designated drop-off locations in your city.
